

SignSalesIQ Proposal

Client: Test

Address: 922 Main Street

Phone: 7816427171

Email: Test@yahoo.com

Location: EXTERIOR | Sign Type: Parking Signs

Budget: \$0 - \$500 | Duration: PERMANENT

GOOD Tier

Products: Standard Option

Deterministic Composite (Baseline)

AI Mockup (Gemini) - available in application

Rationale:

For Test, we recommend the GOOD tier as a cost-effective solution that meets basic visibility and compliance requirements. This Parking Signs solution includes Standard Option, designed for exterior installation at 922 Main Street. Within the \$0 - \$500 budget range, this tier provides the best value for the intended both audience with readability at 25 feet. The permanent installation uses industry-standard mounting appropriate for the specified location type.

Compliance:

Location type: EXTERIOR

Sign duration: PERMANENT

Exterior permit requirements may apply - verify with local jurisdiction

ADA compliance review recommended for public-facing installations

Electrical permit required for illuminated signs

Site address: 922 Main Street - physical survey required before fabrication

BETTER Tier

Products: Enhanced Option

Deterministic Composite (Baseline)

AI Mockup (Gemini) - available in application

Rationale:

For Test, we recommend the BETTER tier as a enhanced solution with improved materials and visibility features. This Parking Signs solution includes Enhanced Option, designed for exterior installation at 922 Main Street. Within the \$0 - \$500 budget range, this tier provides the best value for the intended both audience with readability at 25 feet. The permanent installation uses industry-standard mounting appropriate for the specified location type.

Compliance:

Location type: EXTERIOR

Sign duration: PERMANENT

Exterior permit requirements may apply - verify with local jurisdiction

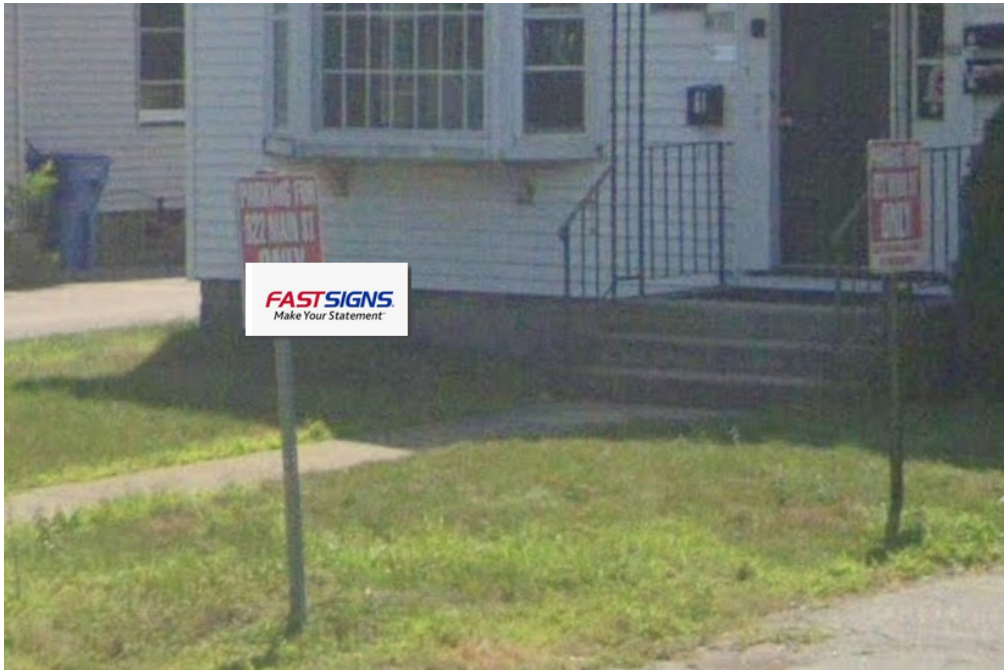

ADA compliance review recommended for public-facing installations

Electrical permit required for illuminated signs

Site address: 922 Main Street - physical survey required before fabrication

BEST Tier

Products: Premium Option

Deterministic Composite (Baseline)

AI Mockup (Gemini) - available in application

Rationale:

For Test, we recommend the BEST tier as a premium solution with top-tier materials, maximum impact, and extended durability. This Parking Signs solution includes Premium Option, designed for exterior installation at 922 Main Street. Within the \$0 - \$500 budget range, this tier provides the best value for the intended both audience with readability at 25 feet. The permanent installation uses industry-standard mounting appropriate for the specified location type.

Compliance:

Location type: EXTERIOR

Sign duration: PERMANENT

Exterior permit requirements may apply - verify with local jurisdiction

ADA compliance review recommended for public-facing installations

Electrical permit required for illuminated signs

Site address: 922 Main Street - physical survey required before fabrication

Note on Scale: These visualizations are for conceptual sales purposes only. Sizes have been estimated based on standard architectural ratios. A physical site survey is required to confirm final dimensions and mounting requirements before fabrication.
