Local Sign Code Regulations

Here's a concise summary of the Waltham, MA sign code for Light Box signs at 922 Main Street:

Jurisdiction & Bylaw Reference

- City of Waltham, Massachusetts.
- Waltham Zoning Ordinance, Article VI, Section 6.7 "Signs."

Permit Requirements

- A Sign Permit is required for all new or altered signs from the Building Department.
- Application must include a site plan, construction details, and illumination information.
- Approval is required from the Building Inspector.
- Estimated fees: (verify with municipality)

Light Box Size & Placement Limits

- Zoning for 922 Main Street: Business A (BA).
- For a wall-mounted Light Box sign: Maximum sign area is 1.5 sq ft per linear foot of building frontage. Max one (1) wall sign per street frontage.
- Projection Limits: Wall signs may project up to 18 inches from the building face. Projecting signs (if applicable for a significantly protruding light box) are limited to 9 sq ft total, may project up to 6 feet, and require an 8 ft clearance above sidewalk.
- Height: No sign shall extend above the top of the wall or fascia of the building.

Illumination Rules

- Illuminated signs are generally permitted.
- Lighting must be arranged to prevent direct rays onto adjacent properties or public ways that could cause a traffic hazard.
- No specific brightness (e.g., candela limits) or operational hours restrictions are specified in the general sign regulations.

Key Restrictions

- Zoning District: 922 Main Street is located in the Business A (BA) Zoning District.
- Historic District: The property may be subject to review by the Historic Commission if located within the Waltham Centre Historic District or on a designated historic structure (verify exact location with Historic Commission).
- Setbacks: No sign shall be located closer than five (5) feet to any side or rear lot line.

Permitting Contact

- Waltham Building Department
- Phone: 781-314-3580

Please confirm all details with the Waltham Building Department before proceeding with any sign fabrication or installation.

GOOD Tier
